

STRIFE SISTERS

Strife Sisters is a Strategy Role Playing game release for the PC Engine and TurbografX-16 in December of 2023.

Sisters Rei and Violet join forces and overcome odds to free their father and their kingdom from the grasp of the Evil Zaladin.

In this squad based strategy game, you'll be spending hours playing on 15 unique maps blasting baddies and saving the kingdom. Fine tune and level your squad in the action packed strategy game!
